

# *Enlightenment*

*The sound of joy  
Is enlightenment  
Space fire truth  
Is enlightenment*

*Space Fire  
Sometimes it's music  
Strange mathematics  
Rhythmic equations*

*The Sound of Thought  
Is enlightenment  
The Magic Light  
Of Tomorrow*

*Backwards  
Are those of Sadness  
Forward and Onward  
Are those of Gladness*

*Enlightenment Is  
My Tomorrow  
It has no planes  
Full of Sorrow*

*Hereby  
My invitation  
I do invite you  
Be of my Space World*

*This Song is Sound  
Of Enlightenment  
The Fiery Truth  
Of Enlightenment*

*Vibrations  
Come from the Space World  
Is of the Cosmic  
Starry Dimension*

*Enlightenment is  
My Tomorrow  
It has no planes  
Full of Sorrow*

*Hereby  
Our Invitation  
We do invite you  
Be of our Space World.*
